Friday 23rd October	Inset day—parent consultation meetings
Monday 26th—Friday 29th October	Half-term
Monday 2nd November	Inset Day

Keep your child safe from cyber-bullying!

1. Always ask before you send a picture or information that could be shared with other people. Remember that you don't know what will happen to any pictures or information you let people have. What you think of as a joke might be really upsetting for the other person when the whole world sees it.
2. Think before you send a message about yourself or any other people involved. It doesn't take long for it to be shared with every single person you know - from your best friend to your grandmother to your worst enemy!
3. Never give out personal information when it can be shared with others. You may trust your own friends, but you do not know his or her friends.....
4. Treat your password like your toothbrush - don't let anyone else use it!
5. If you receive nasty messages, texts, comments etc., block the person sending them and always report it to an adult - a parent, someone at school, or your service provider.
6. Don't reply to a bullying message but do keep it—whether it is a picture, message or online communication.

For more information see www.kidscape.org.uk/cyberbullying/

Reminder

All money must be handed in to your child's class teacher in a named envelope with class, amount and description clearly identified. Dinner money must be paid on a Monday for the following week.

Salisbury Primary School – Autumn 1 2026 Newsletter

Dear Parents/Carers,

Welcome to the start of the new academic year 2026/2027. I hope you have an enjoyable and restful break. It has been lovely to see the children return and settle back into the daily routines. Children in EYFS who started this week have also made an excellent start to the year so well done to them too.

The hard work to get this year off to a brilliant start has already begun and in doing so we of course aim to ensure the high quality of education we offer and standards we achieve, continue to be maintained.

Children enjoyed a great introduction to their first few days after the summer break by looking at the local area. Many of the year groups visited nearby places which are part of Darlaston. The children found the discussions both interesting and informative.

We are delighted to announce that our **enrichment programme** is being extended in terms of what we offer but please note a few changes; sessions will be on a Wednesday instead of Tuesday, the programmes will run for 5 weeks each half term and we would like children to attend all sessions for the five week period. Further information will be sent out soon. The enrichment programme for Autumn 1 starts on Wednesday 16th September. Trips/visits/visitors to school to broaden children's learning experiences and make learning fun and enjoyable are continually being explored so be assured that your child will have access to a wide range of opportunities, here at Salisbury.

The 'A' Stars programme that we are involved in also begins soon so we will be contacting you about the different ways in which the children and parents can participate, so please look out for the information.

We will be appointing our School Council members and House Team Captains and Vice-Captains this half term – the children are so excited about the elections taking place in school next week. They look forward to the fact that they are able to engage in discussions and conversations that have an impact across the school.

We would like to welcome our new staff members who have joined us this September and wish them the very best as they begin their time here at Salisbury.

We look forward to working with you for the coming academic year.

Mrs N. Matharu

Executive Headteacher
