Tuesday 3rd February

Bikeability Year 6—more information to follow

Friday 13th February

Break up for half term.

Monday 23rd February

Children back to school

Keep your child safe from cyber-bullying!

1. Always ask before you send a picture or information that could be shared with other people. Remember that you don't know what will happen to any pictures or information you let people have. What you think of as a joke might be really upsetting for the other person when the whole world sees it.
2. Think before you send a message about yourself or any other people involved. It doesn't take long for it to be shared with every single person you know - from your best friend to your grandmother to your worst enemy!
3. Never give out personal information when it can be shared with others. You may trust your own friends, but you do not know his or her friends.....
4. Treat your password like your toothbrush - don't let anyone else use it!
5. If you receive nasty messages, texts, comments etc., block the person sending them and always report it to an adult - a parent, someone at school, or your service provider.
6. Don't reply to a bullying message but do keep it—whether it is a picture, message or online

Reminder

All money must be handed in to your child's class teacher in a named envelope with class, amount and description clearly identified. Dinner money must be paid on a Monday for the following week.

Welcome back - HAPPY NEW YEAR 2026

Dear Parents/Carers

Welcome back everyone and a **Happy New Year** to you all. Hope you have all had a lovely, restful break and enjoyed the time together. The snow has caused some disruption this week but the weather should improve soon.

Although the Spring term is not so long, we have a great many things taking place for the children. Please make a note of what we have planned to ensure children are provided with a wide range of opportunities at school. This is very important to us as we continue to incorporate as many different, enriching experiences as possible to enhance children's learning.

Our workshop sessions for parents, last term, were well received so we aim to provide further sessions for you over the next two terms. The feedback you provided was very helpful in determining what we focus on next.

I would like to draw your attention to matters relating to children's attendance and punctuality. We have been working closely with parents / carers and pupils to improve attendance and lateness. To support our target of 97% please ensure your child/children are in school, on time, every day.

Well done to all children with attendance above 97%. Bronze badges will be given in next week's assemblies. Silver badges will be awarded at the end of the spring term and Gold at the end of the summer term. We hope pupils wear these with pride.

Improved attendance will also be rewarded at the end of each term.

Thank you for your continued support, which is always greatly appreciated.

Mrs N. Matharu

Executive Headteacher
