End of term - School closes on Friday 24th May and re-opens Tuesday 4th June to all pupils

Please note we have a training day on Monday 3rd June 2024

Salisbury Primary School – Summer Term 1 Newsletter

10th April 2024

Dear Parents/Carers,

Welcome back after the Easter break, hopefully you all had an enjoyable time.

Over the next few weeks our attention is drawn to the end of KS1/KS2 assessments that take place in May. Our Year 6 children are preparing for their end of KS2 SATs which will take place week beginning 13/05/24. The staff members in Year 6 will be supporting the children to make sure they are ready and I am sure the children will be absolutely fine and achieve their very best.

The children in Year 2 will also be undertaking their end of KS1 assessments in May. These are used to inform teacher assessment. At the end of the year, outcomes are reported to parents.

Last term, although quite short was very busy, with the children involved in so many different and enjoyable activities. Thank you for your excellent support as always. A lot is once again happening this half term so please take note of the diary dates below.

We would like to wish our families celebrating Eid this week, our very best wishes.

Attendance Update – Summer Term 2024

At Salisbury we strive to secure the very best education for our pupils. Regular attendance at school is vitally important in helping children reach their academic potential, develop socially and emotionally as well as developing a range of life skills.

Research clearly demonstrates strong links between regular attendance and educational progress and attainment.

Children who frequently miss school though often fall behind and they may find it challenging to make the expected progress in their learning. Regular absences may also lead to children finding it difficult in maintaining friendships and they can feel isolated from their school community.

We want to ensure parents and carers have the support they need so that their child is able to achieve the maximum possible attendance but we need your help.

Attendance Challenge:

If your child's attendance falls below 90% we are setting a 30 day challenge for them. You will receive notification of this through your child's class teacher.

At the end of the summer term if your child's attendance has improved and is between **90% - 95%** they will receive **one golden prize ticket**.

If your child's attendance has improved and is above **95%** they will receive **two golden prize tickets**.

All the children's names will be placed into a prize draw to win one of the following prizes:

£10 Cinema Voucher X 3

£25 Cinema Voucher X 2

£50 Family Day-Out Voucher X 1
