

The House System

This year we are introducing a House System across the school to promote the notion of how we operate as a TEAM here at Salisbury.

The House System upholds the values and ethos of our school and provides children with opportunities to become involved in team events / activities and gain life skills to support them as they grow.

The House System

The House System aims to help children gain attributes which reflect our school expectations:

- Teamwork
- Achievement
- Challenge / competitiveness
- Leadership
- Individual / collective responsibility
- Confidence
- Communication Skills
- Flexibility and resilience

The House Teams are:

Mars

Jupiter

Neptune

Saturn

Staff members who will support each house:

Mars – red – Miss Wilkes

Neptune – blue – Miss Turner

Saturn – yellow – Miss Hough

Jupiter – green – Mrs Walker

House Points

House points form part of the whole school reward system.

House points encourage a team ethos across the school and allow pupils of all ages to have a common goal.

Pupils, from Reception to Year 6, are sorted into one of the four houses.

Brothers and sisters are placed in the same house.

How are house points gained?

House points can be gained through participating in team events, through the different house tournaments and dojos in class.

Dojos are awarded for excellent work and effort.

House Charities

Each house will be supporting a different charity this year.

During the charity days the whole school will be involved in activities that help to raise funds.

Charities we will be supporting in 2023/2024

Mars – red – British Heart Foundation

Jupiter – green – Children in Need

Saturn – yellow – Wear it wild (WWF)

Neptune – blue – Age UK

One captain and one vice-captain will be selected for each house.

Pupils will be selected from year 5 and year 6.

The four captains will be from year 6 and the four vice-captains from year 5.

Our captains from year 6 are:

Lola – Red - Mars
Bonnie - Blue - Neptune
Rayyan – Yellow - Saturn
Keeyan – Green - Jupiter

Our vice-captains from year 5 are:

Adnan – Red - Mars
Mela - Blue - Neptune
Pelumi – Yellow - Saturn
Anya – Green - Jupiter

Well Done!
