## Part A: Pupil Premium Strategy Plan

### Statement of intent

- At Salisbury Primary School we have high aspirations for all our pupils and believe that all learners should be able to reach their full potential by developing the necessary skills
- We are committed to providing each pupil with the best possible environment for learning and

achieving success

- We aim to ensure that Quality First teaching and learning opportunities meet the needs of **all** pupils and the gaps in reading, writing and maths continue to be narrowed
- We will provide our pupils access to a variety of exciting opportunities and a rich and varied curriculum
- We will ensure that pupils belonging to vulnerable groups, including those from socially disadvantaged backgrounds, are adequately assessed and targeted provision is made to meet their needs
- In making provision for socially disadvantaged pupils, we will consider the challenges faced by them but recognise that not all pupils in receipt of free school meals will be socially disadvantaged
- We also recognise that not all pupils who are socially disadvantaged will be in receipt of free school meals. We therefore reserve the right to allocate the Pupil Premium funding to support any groups of pupils that the school deems to be socially disadvantaged
- We track the impact of interventions as part of our regular pupil progress meetings and ensure support is deployed accordingly

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils:

Challenge number	Detail of challenge
1	Language and communication skills are significantly lower when they join school and this then impacts on progress and attainment particularly in the core areas of reading/writing/maths
2	Attendance/punctuality of PP is below non-PP with persistent absence being an additional factor
3	Gaps in knowledge and skills of PP pupils in reading, writing and maths when compared to their peers and nationally at the end of KS2
4	Limited experiences outside school compared to their peers, lacking development of independent skills, confidence and resilience
5	Social and emotional needs, low aspirations, which can impact on pupils' academic progress/success

## Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended Outcome	Success Criteria
<p>Improve oral language skills for pupils through quality first teaching and stimulating environments</p>	<p>The teaching of early reading/phonics skills will be consistent and effective across EYFS and KS1.</p> <p>Access to wider range of online and actual reading materials aligned to the new Little Wandle scheme introduced this year, will better support the development of early reading skills</p> <p>Teachers will accurately identify disadvantaged individuals/groups not on track and target support accordingly.</p> <p>Pupil Premium pupils should achieve phonics outcomes in line with their non-disadvantaged peers</p>
<p>Continue to improve attendance/punctuality of PP pupils</p>	<p>All pupils will be monitored and procedures in place followed to ensure improvement/reduction in persistent absentees</p> <p>Attendance officer will provide additional support/ assistance for identified pupils</p>
<p>Closing attainment gaps between PP pupils and others across the school and nationally</p>	<p>Pupils will make accelerated progress in structured interventions and be able to transfer knowledge from these sessions into the learning in class.</p> <p>Gap between reading and writing for disadvantaged pupils will be narrowed and reflect the progress of non-disadvantaged pupils.</p> <p>Effective transition of PP pupils to secondary school and other settings should secure long-term success</p>
<p>Increased opportunities for PP pupils to access a wider range of experiences to support learning and develop their knowledge and skills</p>	<p>Disadvantaged pupils will have equitable access to the wider curriculum/cultural capital opportunities</p> <p>Pupil premium pupils will access enrichment/clubs, sometimes with additional support.</p> <p>The school will review the wider curriculum offer regularly to ensure that PP pupils have opportunities within their interests.</p> <p>Staff will have a good understanding of their disadvantaged pupils in their context to support their needs</p>

Effective support in place to ensure pupils pastoral/social/emotional needs are met	<p>Teachers will identify pupils who require support and implement appropriate strategies within the classroom</p> <p>Pupils who require it will access Emotional Literacy support</p> <p>Pupils will feel confident/secure in their day to day interactions with others in school</p> <p>Pupils' resilience and stamina will strengthen to enable them to tackle challenges in a positive way</p>

### Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

**Budgeted cost: £23,500**

Activity	Evidence that supports this approach	Challenge number(s) addressed
Provide quality CPD/Training: Makaton refresher training. EYFS Talk Boost Speech/language	<p>Language and Communication skills of many children in EYFS are not strong.</p> <p>Many children join Reception from different settings, working below their age band and lack the breadth of vocabulary to reflect their experiences on entry to Reception.</p> <p>In KS1 and particularly lower KS2, pupils do not use talk as effectively to connect ideas and explain.</p>	1
Identify and target reading skills as well as gaps in writing/spelling/grammar to ensure that Pupil Premium pupils achieve well	<p>Identified gaps in basic reading skills particularly in KS1/lower KS2.</p> <p>Writing has shown gaps in areas such as Spelling and grammar across the school which is preventing them from attaining the EXS+ in writing.</p> <p>EEF- 'Teacher Feedback to Improve Learning' 2021. We also know feedback has a very high impact on outcomes for a very low cost based on extensive evidence.</p> <p>CLPE resource hub- 'high quality teaching resources to improve the teaching and</p>	3

	<p>learning of language, vocabulary, reading and writing'</p> <p>We know that good quality teaching is the most important way schools improve outcomes for disadvantaged pupil' and the EEF recognise that CPD impacts on whole class teaching which should not be seen as separate to the PP grant.</p>	
--	--	--

<p>Educational Psychologist Sessions</p> <p>Precision teaching</p> <p>Power of Reading</p> <p>Moderation of writing</p> <p>Writing Toolkit</p>	<p>High quality CPD - The Power of Reading, to address the development of reading/writing.</p> <p>Adapting the Little Wandle approaches for whole class reading in KS2 which then supports development of writing skills.</p> <p>Phase leads monitor/evaluate, the progression of reading, writing, spelling, punctuation and grammar skills consistently. Revise and review within the context of writing.</p> <p>Focused support to raise the profile of reading/writing following the outcomes of our analysis of data</p>	3, 4, 5
<p>Number sense training</p>	<p>CPD/Training – Key staff identify appropriate strategies to develop basic number skills. In the main suitable for KS1 pupils but also for pupils in Year 3. The programme aims to secure pupils' concept of early number skills. This will take place alongside the mastery approach.</p>	3, 4, 5

## 2024 End of KS2 Summary

### **Pupil outcomes for 2023/2024:**

Improvement in outcomes at the end of EYFS - appropriate interventions have been in place to support children in Reception with their learning. The focus has been very much around developing language and communication through providing a wider range of opportunities for speaking and listening and accessing the enhanced curriculum.

Teaching of phonics has been more consistent and progress tracked closely with improvement evident as a result. Introduction of further approaches linked to the teaching and learning of phonics providing additional support for pupils.

Attainment at the end of KS2 has improved, particularly in maths. Differences in attainment between PP and non-PP pupils remain however, the gaps have narrowed.

### **Attendance figures for 2023/2024**

	Rec	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Pupil Premium	87.2%	90.4%	94%	87.8%	92.9%	89.1%	93.5%
Non Pupil Premium	85.3%	94%	91.8%	90.9%	96.4%	95.4%	95.8%

We monitor attendance closely and in cases where attendance is an issue, procedures are fully in place to address concerns. We have a small number of PP pupils who also factor as cases of persistent absence (PA) which is something we are continually working on to further improve.

### **Externally provided programmes:**

Salisbury Primary School has used some of the programmes endorsed by the DfE research organisations such as EEF.
