SUMMER 2 2026

WELCOME TO THE WALSALL SEND SERVICE SUMMER TERM 2 COMMUNICATIONS

These communications are designed for parents and carers of children and young people with Special Educational Needs and Disabilities (SEND). Here, we share important updates, celebrate successes, and highlight opportunities for you to engage with and shape SEND services in Walsall. We are committed to working together to improve support, services, and outcomes for children and young people with SEND. Your voice matters, and we welcome your feedback and involvement.

ARE YOU ON OUR MAILING LIST?

Stay up to date with the latest SEND news, updates, and events in Walsall by joining our mailing list. If you are not already receiving our emails, please contact: localoffer@walsall.gov.uk

SEND REFORM - WHAT THIS MEANS FOR WALSALL FAMILIES

You may have seen recent news about the government's new SEND White Paper, Every Child Achieving and Thriving, which sets out proposals for how support for children and young people with special educational needs and disabilities (SEND) could change in the future.

We know that hearing about changes to SEND can feel unsettling for families. We want to reassure you that nothing is changing for your child right now.

We have shared an update on our SEND Newsroom explaining the SEND reforms and what they could mean for you. Read it here: [SEND Newsroom](#)

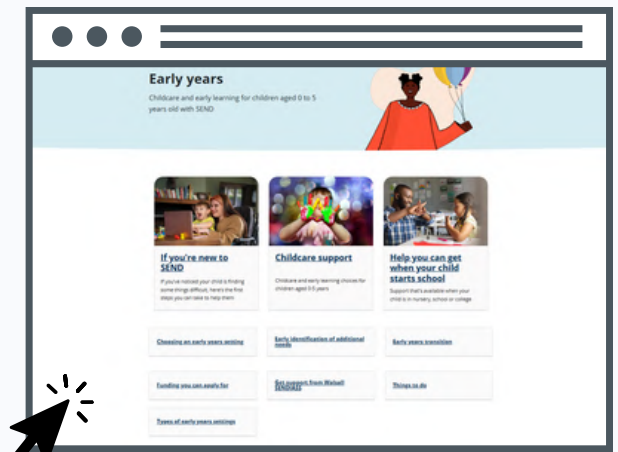

LOCAL OFFER IMPROVEMENTS - YOU SAID, WE DID

EARLY YEARS

You told us that you wanted more information about choosing childcare and understanding the transition into school.

In response, we have reviewed the Early Years section, updated the content, and added three new pages:

- **Choosing an Early Years Setting**
- **Types of Early Years Settings**
- **Early Years Transition**

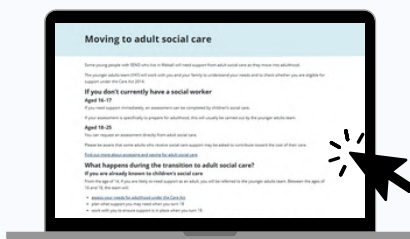

<https://send.walsall.gov.uk/early-years-aged-0-5>

The updated section includes guidance on childcare and education options, what to consider when choosing a setting, and how to support your child as they move from Early Years provision into school.

There is lots of practical information to help you feel informed and confident when making decisions about your child's early education and care.

PREPARING FOR ADULTHOOD

You told us that it was difficult to find information about what happens when a young person moves from children's social care to adult social care.

In response, we have created a new page within the Preparing for Adulthood (PfA) section that explains the transition process from children's to adult social care, including what families can expect and where they can find support during this important change.

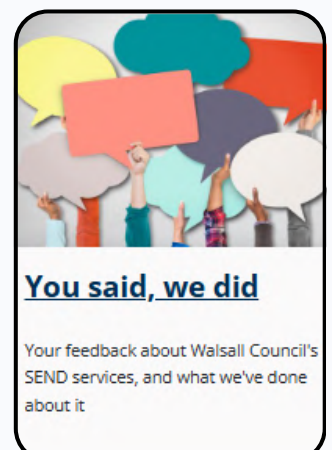

<https://send.walsall.gov.uk/preparing-adulthood/moving-adult-social-care>

Your views are important to us, and we use your feedback to help shape and improve services for children, young people, and their families.

We regularly update the You Said, We Did page on the Local Offer so you can see how your feedback has influenced changes and improvements, and how we are continuing to enhance your experience.

If you would like to share your feedback, suggestions, or ideas for improving the Local Offer, please feel free to email us. We welcome your comments and are always keen to hear about what is working well and where we can do better.

LOCAL OFFER INFORMATION FAIR

On Friday 3 July, we held our first Local Offer SEND Information Fair at Walsall Town Hall.

With a great turnout from local families, the event provided an excellent opportunity to connect with services that support children and young people with SEND across Walsall.

Representatives from the Speech and Language Therapy Team, Younger Adults Team, Community Enablement Team, FACE Parent Carer Forum, SENDIASS, Mosaic Neuroinclusive Support, and many other organisations were on hand to offer information, advice and support.

Thank you to everyone who attended and helped make the event such a success.
