Benefits of online applications

- Anytime access available from Friday 11 September 2026 – Saturday 31 October 2026 for on-time applications
- Paperless process
- Secure and safe system.
- You will receive email notification of your school place offer on 1 March 2027.
- You can amend your application after it has been submitted up until the closing date of 31 October 2026.
Please remember to re-submit your application after you make any changes

Useful Information

- Ensure that you submit your application by 31 October 2026.
- Do your research on prospective schools and attend open evenings.
- Read the on-line information for parents' booklet on our website
- You can list up to 5 school preferences; we strongly urge you to use all 5 preferences to maximise the opportunity to be offered a preferred school.
- If your preferred schools are oversubscribed, your child will be placed on a waiting list, and the LA will allocate a place at the closest school to the child's home address with a vacancy.
- Some schools require Supplementary Information Forms, please check the admission criteria for each school and submit on time directly to the schools.
- We advise against listing 5 grammar schools – this will limit your chances of being offered a preferred school.
- Include at least 1 local school that you feel your child would have qualified for in previous years.

Result of a late application:

It is extremely important that you submit your application by 31 October 2026.

- Late applications are processed after all those received on-time.
- Your child might not be offered a place at **any** of your preferred schools, even though you may live very close to the school and have other children attending there.
- Your child could be allocated a place at an alternative Walsall school which may not be your most local, or one that you would have chosen.
- It is unlikely that a place would become available at your preferred school from the waiting list.

Useful Information

- Read the information for parents' booklet.
- You **MUST** submit your application by 31 October 2026.
- List 5 school preferences on your application.
- Some schools require supplementary information forms – they **MUST** also be submitted on time, **directly to the school**.
